3.22 Billing and Accounts Receivable

Policy: It is the policy of GSHWC to maximize revenues from all sources, including Medicare, Medicaid, private insurance carriers, and patients.

Purpose: It is the purpose of this procedure to establish policies and procedures that guide staff in the billing, collections, and accounts receivable functions of the health center.

Procedures:

Policies and procedures 3.22.1 through 3.22.12 are provided for guidance related to billing, collecting and managing patient accounts.
