6.7 Distribution of Pharmacy Stock to Clinic

OBJECTIVE: To provide guidelines for distribution of prescription stock to a provider at Good Samaritan Health & Wellness Center

I. **PROCEDURES:**

1. Distribution of pharmacy stock to the GSHWC for clinic use will be appropriately labeled by the pharmacist before placing into clinic stock, using the "for clinic use" account to maintain a computerized record of dispersion. Records of dispensing must be maintained in accordance with Georgia and Federal law for a period of at least seven years.

Medications should be distributed in the original packaging.
