6.8 Goals and Objectives of the Pharmacy

OBJECTIVE: To identify and establish the goals and objectives of the pharmacy department at Good Samaritan Health & Wellness Center Pharmacy

POLICY:

1. To provide GSHWC clients with quality medications at the most economical cost possible on a sliding scale for verified patients.
2. To provide convenience of in-house pharmacy service.
3. To provide comprehensive client counseling through oral communication and supplementary printed material.
4. To promote and monitor client compliance in use of prescribed medications.
5. To monitor clients' prescriptions for possible drug interactions.
6. To monitor clients' drug allergies to prevent possible drug reactions.
7. To maintain patient profiles for improved client care.
8. To establish communication with clinic staff and providers for the purpose of improving client care and promoting clinic wide cooperation.
9. To advise and make recommendations regarding cost effectiveness of the drug formulary.

To bill third party payers whenever possible which helps to leverage funding for underfunded areas of Good Samaritan.
