2.1 Status of Volunteers

All volunteers serve Good Samaritan Health & Wellness Center at will. This means that either the volunteer or the Center may terminate the volunteer's service at any time for any reason with or without notice.

This Policy Manual does not create an express or implied contract of service or employment, continued service or employment, or any right to employment benefits or other benefits. Volunteers are deemed to have recognized their "at will" status upon their initiation of service and as a condition of their continued service.
